Microsoft Office Suite

Experience

Visual Effects Teaching Assistant: January 2012–May 2012
Assisted the students in the 'Technical Concepts of Visual Effects' course with any problems they encountered. Major project areas included modeling, texturing, animation, and compositing.

Independent Computer Graphics Study: Fall 2011–Present
Modeling, rigging, and texturing initially supervised by a professor as a semester long project and continued on an independent basis in order to expand Maya and visual effects skillset.

Competitive and Performance Irish Dance: 2000–Present
Attends multiple classes weekly to improve technique. Open championship level and competed at the National Championships six times. Performs regularly with the Inishfree School at local shows. A top ten winner in Irish Dance Magazine's Nationals 2012 Logo Contest.

Residence Hall Mail Clerk: Fall 2010–May 2012
Organized and distributed mail for Farley Hall at Notre Dame.

Notre Dame Marching and Concert Bands: 2008–2012
Performed a new show weekly at football games and attended practice daily as a clarinetist. Four year recipient of the shamrock perfect attendance award. Toured with the concert band three summers to Brazil, Europe, and Canada. Designed t-shirts for the clarinet section and the Bandlink mentoring program.
